

Going Viral or Going Postal?

End user perspective of REDCap database changes
as a result of COVID-19

Rose Bandini

Research Coordinator: Neonatal Unit / PRINCE

Charlotte Maxeke Johannesburg Academic Hospital

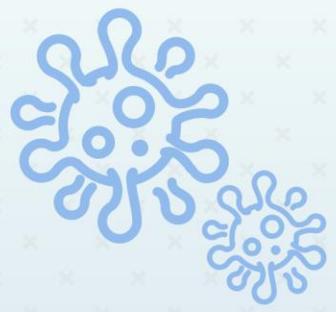

When a survey is not a survey

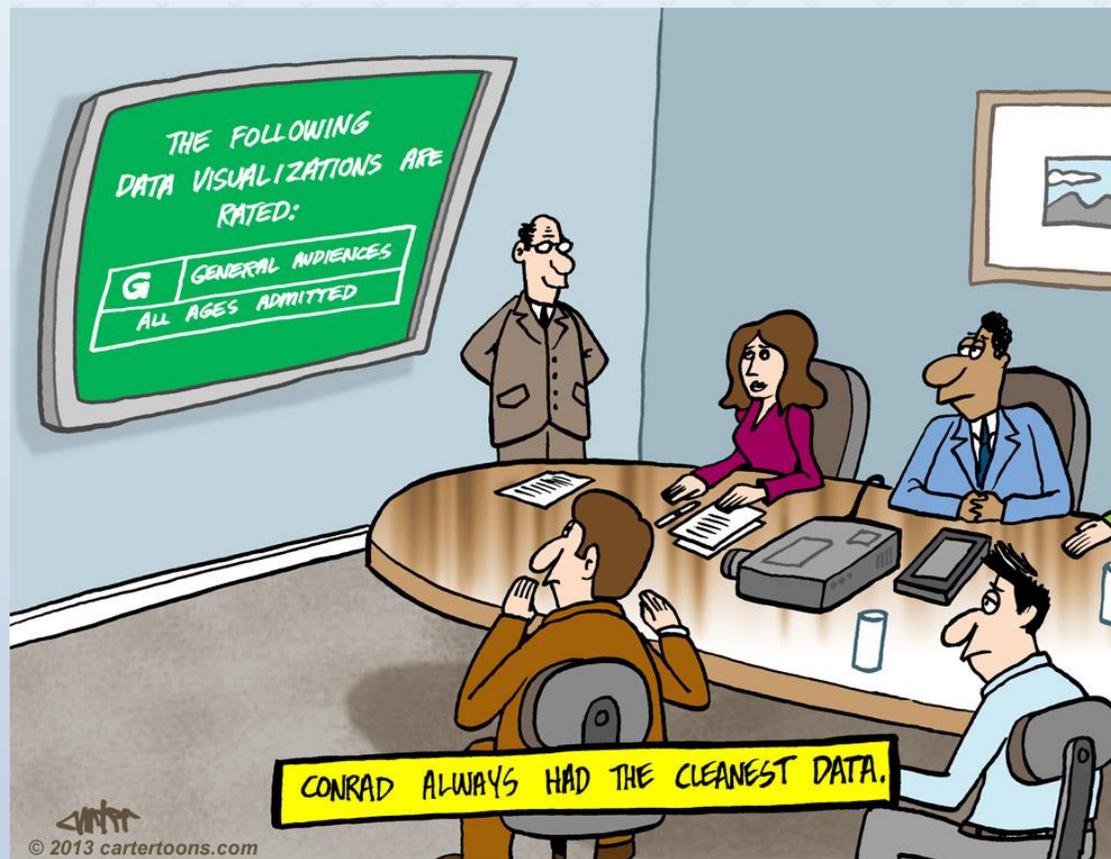

"Excuse me, Sir — I wonder if you'd mind helping me with a survey.....?"

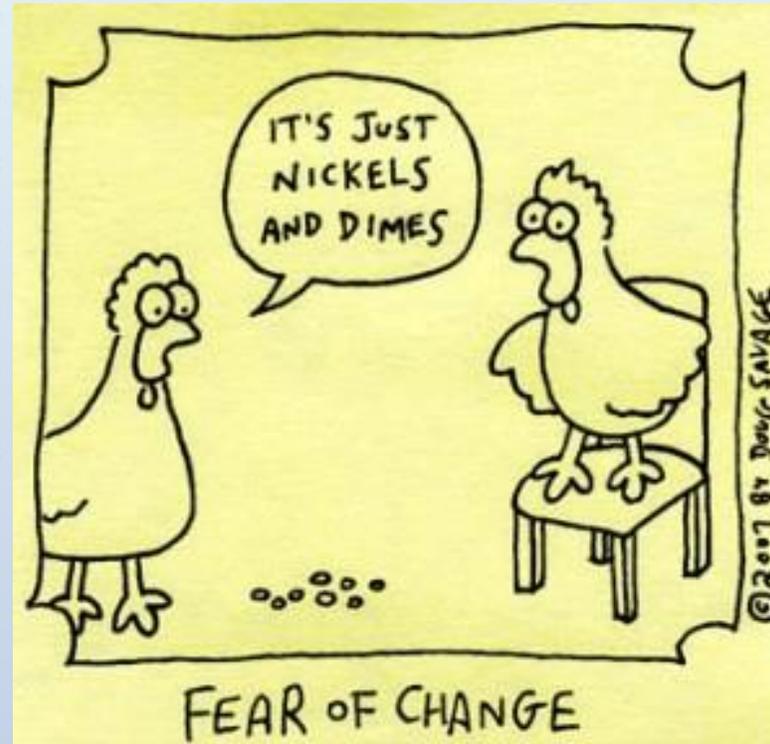

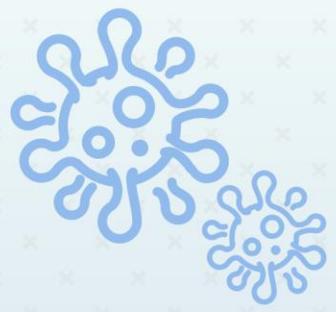

Near constant updates

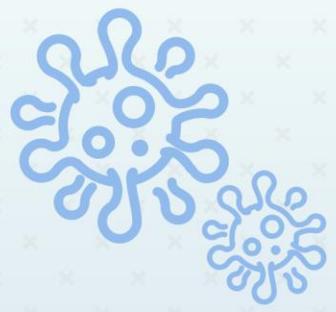

Data quality

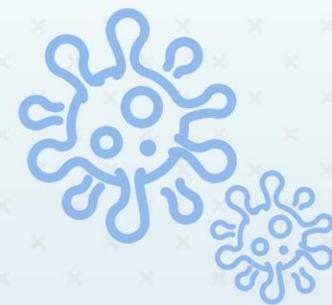

Reporting structure differences

Everything is... fine?

Data sharing issues

"He's not good at playing well with others."

Thank you!
